### TAKING INCHARGE (PRINCIPAL) 01.10.2024

#### **Message From Principal:**

"Education is completely a realistic field work involving Renewing and Recycling Action Plans"

Everyone in education is in view of "Holistic Education" that is all round development of learners; in a nut shell "transformation of learners". Since various skills are the dimensions of holistic education, Nanjil Catholic School, NCS is focused to provide an atmosphere for the development of necessary skills

so that NCSians develop self-confidence, self-awareness, emotional balance and a thrive to overcome social and global challenges with dignity, honor and integrity.

The ideals of our life, You Know Yourself; You are the Victim of Your Own Mind; Will is stronger than Skills; You are remembered for Your Virtues or Vices; etc. are reminded periodically to NCSians to build Character for tomorrow.

Communication and learning; Appreciation and Motivation; Every Failure Develops a New Hope; Mistakes are Painful Experiences and Lessons; are the mantras at NCS.

Periodical recalls, refreshments in co-curricular activities, gathering on various issues to develop organizing skills and emphasizing on current affairs will enhance the output of the learner. Therefore, all these components of education are going in the focused direction at NCS to realize the Mission and Vision of NCS set by the Founders.

Finally, we should accept that Growth is Change or Change is Growth and NCSians are motivated to change themselves and bring changes everywhere, homes, society and globe at large.

Congratulations to all Students and Parents of NCS and May God Bless You.

### WEBINAR ON ELECTORAL LITERACY

**15.10.2024**

The CBSE hosted a webinar on Electoral Literacy aimed at educating students about the electoral process.

Our students of Grades IX to XII participated in the webinar on 15th October 2024. Participants found the session informative. The webinar effectively promoted electoral literacy and empowered students to participate actively in the democratic process.

The webinar offered insights into the electoral process and the importance of ethical behavior while exercising voting rights. By engaging with this resource, students were motivated to understand their civic duties, preparing them to become responsible and active participants in the nation's democracy. This initiative is part of the broader mission to nurture well-rounded citizens who are not only academically accomplished but also socially responsible and ready to contribute to the democratic fabric of the country.

### Rocket Workshop and Competition

The department Robotics and Artificial intelligence organized a Rocket Workshop and Competition at our school campus on October 5, giving students a unique hands-on experience in rocket science. In the workshop, students learned about air pressure and propulsion, then applied these principles by building their own water rockets. The competition allowed them to launch their rockets, aiming for the highest and farthest flights. This engaging event encouraged problem-solving, creativity, and teamwork, making STEM learning fun and practical.
